# Les auteurs

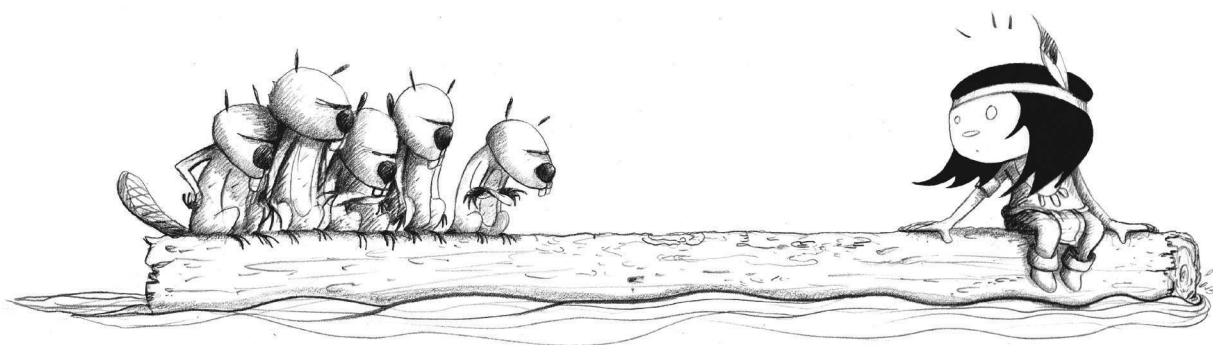

Frédéric Maupomé

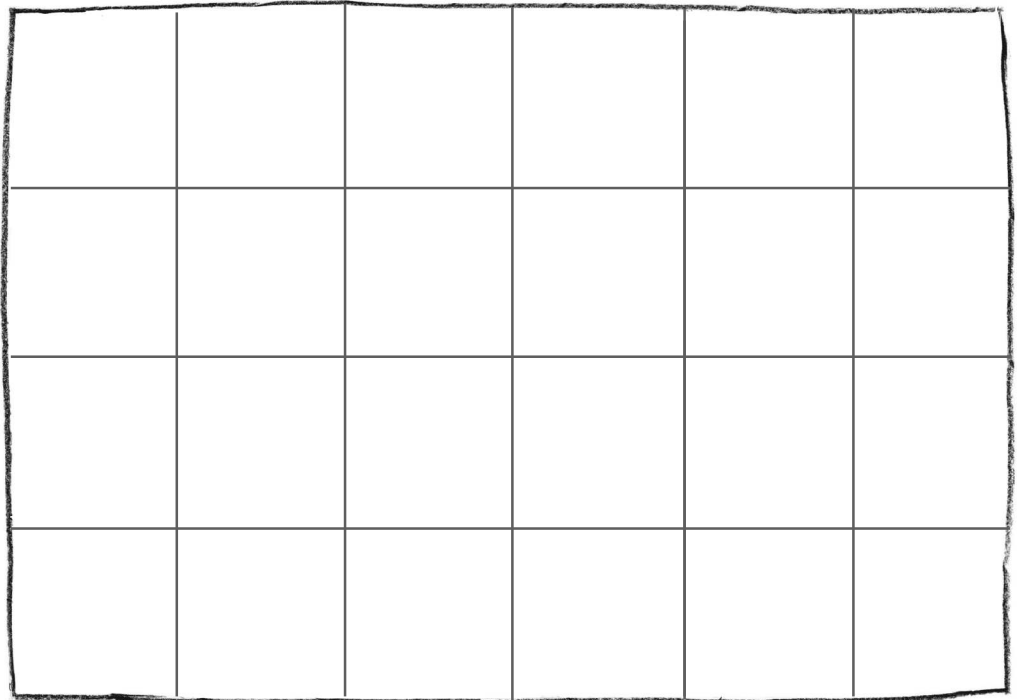

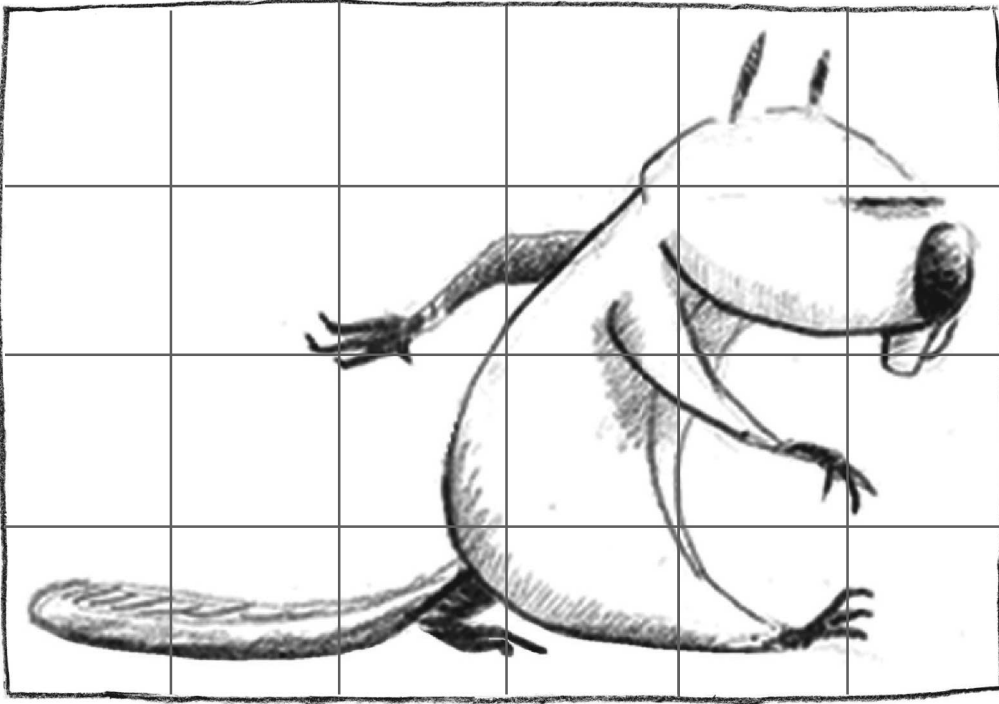

Frédéric aurait voulu être mousquetaire ou cowboy de l'espace. Mais se battre en duel, c'est plus tellement la mode et les vaisseaux spatiaux ne sont pas encore au point... Alors en attendant de pouvoir décoller, il rêve et il raconte des histoires.

Stéphane Pénégas

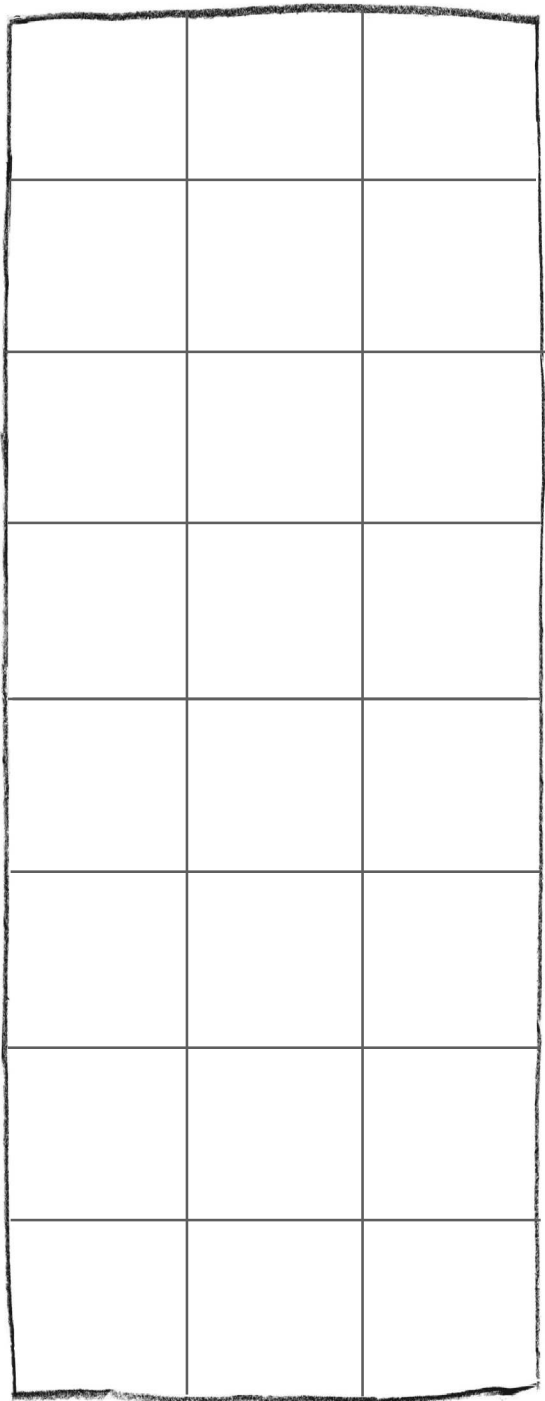

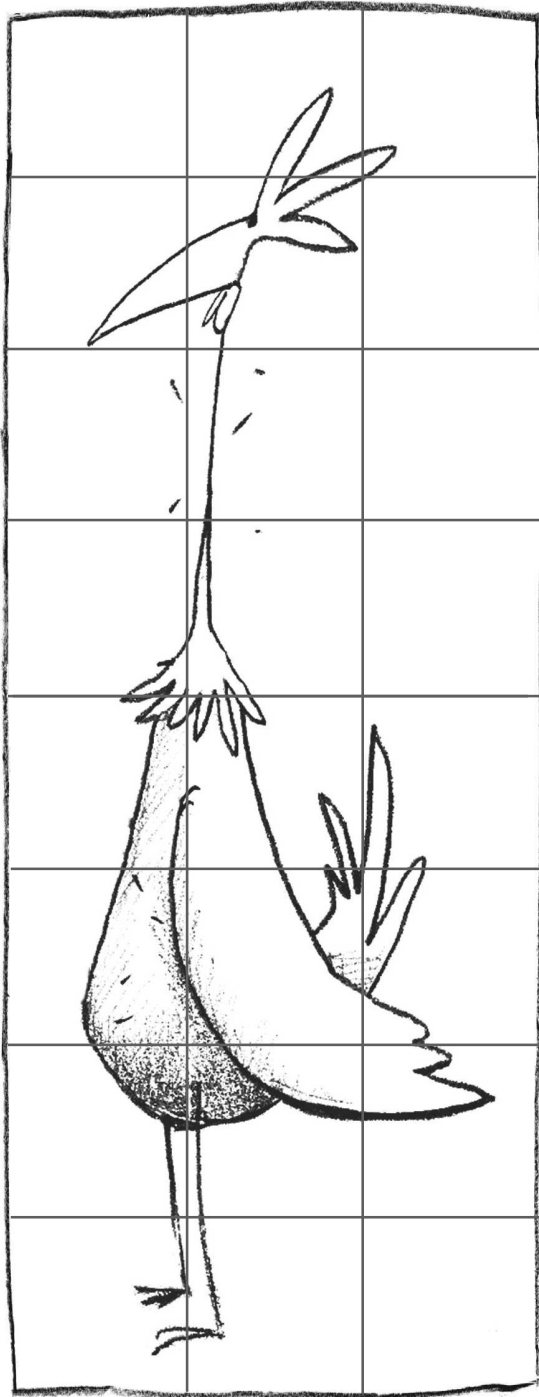

Depuis tout petit, Stéphane aime dessiner. Alors, une fois devenu grand, il a décidé d'en faire son travail. Il y a plein de métiers différents dans le dessin, il en a testé beaucoup, mais ce qu'il préfère : c'est faire des livres pour enfants.
